Thank you for your response and request for clarification dated 9/24/2018 to my FOIA dated 8/1/2018. Please see highlighted responses below:

Specifically, in items 3, 5, 6, and 10, above, you are asking for emails from HHS employees. However, as written, your request is overly broad. In order for us to conduct a reasonable search, we need the following information:

Contraception  
Abortion  
Planned Parenthood  
Birth Control  
Fertility awareness  
Rhythm method  
Crisis pregnancy Centers  
CPC
- Names of specific HHS employees;  
Theresa Manning  
Valerie Huber  
Diane Foley  
Shannon Royce  
Heidi Christensen  
Ben O'Dell  
Katy Talento
- Domain names of email addresses you are seeking; and,  
hhs.gov  
omb.gov  
eop.gov
- Beginning and ending dates of search timeframes for each item.  
With respect to items 3, 6, and 10 please search within dates indicated in my original FOIA request. For item #5, please search for items between May 1, 2017 to June 30, 2018.

Thanks very much, and please don't hesitate to reach out again if further clarification is needed.
